**INTRODUCTION**

The defendant, Isaac Ramirez-Marquez, was detained by Border Patrol Agent Scott Pinckney on December 12, 2007 while driving a black Ford Explorer driving northbound on the I-15 Freeway north of the Temecula Border Patrol Checkpoint. During the detention, the agent observed persons in the vehicle he believed might be undocumented aliens.

The defendant and the others were taken to the Border Patrol Station and

1 questioned. Mr. Ramirez-Marquez was not charged with a crime and was granted a  
2 voluntary return to Mexico.

3 The government later obtained the instant ten-count, four-defendant  
4 indictment charging Mr. Ramirez-Marquez as defendant three in Counts 1-5 with  
5 various alien smuggling offenses arising out of this single incident.  
6

7 Unbeknownst to Mr. Ramirez-Marquez, this case has been pending in court  
8 for some time. He was recently arrested upon applying for a visa to enter the  
9 United States from Mexico.  
10

11 Mr. Ramirez-Marquez is being held in custody in lieu of bail pending trial.

12 The government made 355 pages of discovery available to the defendant.  
13 along with 9 DVDs containing statements of the defendants and witnesses.

14 Defense counsel is currently in the process of evaluating that discovery.

17 **MEMORANDUM OF POINTS AND AUTHORITIES**

18 **A. THE DEFENDANT HEREBY MOVES THE COURT TO COMPEL**  
19 **DISCOVERY PURSUANT TO RULE 16 OF THE FEDERAL RULES OF**  
20 **CRIMINAL PROCEDURE AND BRADY v. MARYLAND.**

21 The defendant moves for production by the government of the items listed  
22 below. This request is not limited to those items that the prosecutor personally  
23 knows of, but rather includes any and all discoverable items listed below that are in  
24 the custody, control, care, or knowledge of the government or any "closely related  
25 investigative [or other] agencies", or the existence of which are known, or by the  
26 exercise of due diligence may become known, to the attorney for the government.  
27  
28

1 United States v. Bryan, 868 F.2d 1032 (9th Cir.), cert. denied, 493 U.S. 858 (1989).

2 (1) **The Defendant's Statements** - Under Fed. R. Crim. P. 16 (a)(1)(A) the  
3 government must disclose to the defendant and make available for inspection,  
4 copying, or photographing:  
5

- 6 • any written or recorded statements made by the defendant;
- 7 • that portion of any written record containing the substance of any  
8 relevant oral statement made by the defendant whether before or  
9 after arrest in response to interrogation by any person then known to  
10 the defendant to be a government agent; and
- 11 • the substance of any other relevant oral statement made by the  
12 defendant whether before or after arrest in response to interrogation  
13 by any person known by the defendant to be a government agent if  
14 the government intends to use that statement at trial.  
15

16 The Advisory Committee Notes, as well as the 1991 amendments to Rule  
17 16, make it clear that the Government must reveal all the defendant's statements,  
18 whether oral or written regardless of whether the Government intends to introduce  
19 those statements in its case-in-chief or reserve their use for impeachment  
20 purposes.  
21

22 Specifically, in the instant matter the defendant requests discovery of all of  
23 his statements as defined by Rule 16, including those made in relation to any  
24 Miranda warnings that may have been given. See e.g., United States v. McElroy,  
25 697 F.2d 459 (2d Cir. 1982).  
26  
27  
28

1 This request is intended to include the rough notes of any agents who were  
2 involved in questioning Mr. Ramirez-Marquez. If his statement was exculpatory,  
3 then the notes would constitute Brady material. If his statement was incriminating  
4 and the government intended to use it at trial, then it is discoverable under Rule 16.  
5 In any event, the rough notes should be ordered preserved by the government.  
6 United States v. Harris, 543 F.2d 1247, 1251-53 (9th Cir. 1976); United States v.  
7 Griffin, 659 F.2d 932, 939-41 (9th Cir. 1981).

8  
9 **Regarding Waiver Forms, Translations, and Recordings:**

10 The defense hereby requests the government to produce copies of any  
11 warnings given to him relating to his rights under Miranda v. Arizona, 384 U.S. 439  
12 (1966) and all audio or video recordings of any statements made by him.  
13

14 **(2) The Defendant's Prior Record** - Evidence of the defendant's prior  
15 criminal record is discoverable under Fed. R. Crim. P. 16(a)(1)(B).  
16

17 **(3) Documents and Tangible Objects** - The defendant requests, under  
18 FRCrP 16(a)(1)(C), the opportunity to inspect and copy, or photograph, as well as  
19 test, if necessary, all books, papers, documents, photographs, tangible objects,  
20 buildings or places or copies of portions thereof, which are material to the defense  
21 or intended for use in the government's case-in-chief, or were obtained from or  
22 belong to the defendant.  
23

24 **Specifically, the defense requests to inspect, copy, and photograph the**  
25 **following items:**

- 26 1) All conveyances, including vehicles, trailers, specially built  
27  
28

1 compartments, and storage containers, allegedly used to smuggle the  
2 illegal aliens listed in the indictment or upon which the government would  
3 present evidence at trial or for sentencing;  
4

5 2) Color photos of all individuals detained in relation to the incidents alleged  
6 in the indictment with the corresponding names of the person and the  
7 number used when it was shown for identification purposes;

8 3) Any personal papers, objects or clothing found on or attributed to the  
9 defendant or any co-defendant, co-conspirator, or witness, including  
10 water bottles, food, backpacks, immigration papers, or weapons;  
11

12 4) Any cellular telephones or walkie-talkies found on the persons, vehicles,  
13 or among the effects of any co-defendant, co-conspirator, or witness,  
14 including the phone's memory and records taken from the memory or the  
15 subscriber's account;  
16

17 5) Any items or effects found in the homes or vehicles of any co-defendant  
18 or co-conspirator during a search with or without a warrant;

19 6) Any photos or videos taken of the areas where the incidents took place  
20 or individuals were detained, including surveillance of any houses where  
21 undocumented persons were allegedly harbored and any surveillance  
22 allegedly showing or depicting Isaac Ramirez-Marquez engaged in the  
23 bring in, harboring, or transportation of undocumented persons prior to  
24 December 12, 2007.  
25  
26  
27  
28

1           **(4) Reports of Scientific Tests or Examinations** – Pursuant to Fed. R.  
2           Crim. P. 16(a)(1)(D), Mr. Ramirez-Marquez requests the opportunity to inspect and  
3           copy, or photograph, as well as test, if necessary, all reports of physical or mental  
4           examinations, and of scientific tests or experiments, or copies thereof in this case  
5           which are material to the defense or intended for use in the government's case-in-  
6           chief.  
7

8           **(5) Expert Witness Testimony** - Pursuant to Fed. R. Crim. P. 16(a)(1)(E),  
9           Mr. Ramirez-Marquez hereby requests a written summary of testimony the  
10          government intends to use under Fed. R. Evid. Sections 702, 703 or 705 during its  
11          case-in-chief at trial. A written summary of testimony is defined in this rule as a  
12          description of the witnesses' opinions, the bases and reasons for those opinions,  
13          and the witnesses' qualifications.  
14

15          **(6) Brady Material** – pursuant to Brady v. Maryland, 373 U.S. 83 (1963), the  
16          defendant requests all documents, statements, agent's reports, and tangible  
17          evidence favorable to the defendant on the issue of guilt and/or which effects the  
18          credibility of the government's case. Impeachment as well as exculpatory evidence  
19          falls within Brady's definition of evidence favorable to the accused. United States v.  
20          Bagley, 473 U.S. 667 (1985); United States v. Agurs, 427 U.S. 97 (1976). (*See*  
21          *also the specific list of requests in Item #7, infra.*)  
22  
23

24          **(7) Any Proposed FRE 404(b)** - Evidence of prior similar acts is  
25          discoverable under Fed. R. Crim. P. 16(a)(1)(C) and Fed. R. Evid. 404(b). In  
26          addition, under Fed. R. Evid. 404(b), "upon request of the accused, the prosecution  
27  
28

1 . . . shall provide reasonable notice in advance of trial . . . of the general nature . . ."  
2 of any evidence the government proposes to introduce under Fed. R. Evid. 404(b)  
3 at trial. The defendant requests that such notice be given well in advance of trial in  
4 order to give the defense time to adequately investigate and prepare for trial.  
5

6 **(8) Jencks Act Material** - The defense requests all material to which  
7 defendant is entitled pursuant to the Jencks Act, 18 U.S.C. § 3500, reasonably in  
8 advance of trial, including dispatch or surveillance tapes. A verbal acknowledgment  
9 that "rough" notes constitute an accurate account of the witness' interview is  
10 sufficient for the report or notes to qualify as a statement under §3500(e)(1).  
11 Campbell v. United States, 373 U.S. 487, 490-92 (1963). In United States v.  
12 Boshell, 952 F.2d 1101 (9th Cir. 1991), the Ninth Circuit held that when an agent  
13 goes over interview notes with the subject of the interview the notes are then  
14 subject to the Jencks Act. The defense requests pre-trial production of Jencks  
15 material to expedite cross-examination and to avoid lengthy recesses during trial.  
16 Furthermore, all memorialized and video or audio taped statements of any  
17 witnesses should be produced well in advance of trial so that they may be  
18 reviewed, translated, if required, transcripts prepared, and meaningful witness  
19 interviews conducted.  
20  
21

22 **(9) Evidence of Bias or Motive to Lie** - The defendant requests any  
23 evidence that any prospective government witness is biased or prejudiced against  
24 the defendant, or has a motive to falsify or distort his or her testimony.  
25  
26 Pennsylvania v. Ritchie, 480 U.S. 39 (1987); United States v. Striffler, 851 F.2d  
27  
28

1 1197 (9th Cir. 1988), cert. denied, 489 U.S. 1032 (1989).

2 (10) **Giglio Material** - The defense requests all statements, promises, and  
3 threats, express or implied, made to any government witness, including any  
4 material witnesses or informants, in exchange for their testimony in this case, and  
5 all other information which could arguably be used for the impeachment of such  
6 witnesses. Giglio v. United States, 405 U.S. 150 (1972).

8 (11) **Evidence of a Criminal Investigation of Any Government Witness –**  
9 The defendant requests any evidence that any prospective witness is under  
10 investigation by federal, state, or local authorities for any criminal conduct. United  
11 States v. Chitty, 760 F.2d 425 (2<sup>nd</sup> Cir. 1985).

13 (12) **Government Examination of Law Enforcement Personnel Files -**  
14 Mr. Ramirez-Marquez requests that the government examine the personnel files  
15 and any other files within its custody, care or control, or which could be obtained by  
16 the government, for all testifying witnesses, including testifying officers and agents  
17 who may have been controlling or contacting a confidential informant involved in  
18 this case. Mr. Ramirez-Marquez requests that these files be reviewed by the  
19 government attorney for evidence of perjurious conduct or other like dishonesty, or  
20 any other material relevant to impeachment, or any information that is exculpatory,  
21 pursuant to its duty under United States v. Henthorn, 931 F.2d 29 (9th Cir. 1991).  
22 United States v. Jennings, 960 F.2d 1488, 1492 (9<sup>th</sup> Cir. 1992).

1  
2 **B. THE DEFENDANT MOVES THE COURT FOR LEAVE TO FILE FURTHER**  
3 **MOTIONS.**

4 The government has provided the defendant with initial discovery. The  
5 defendant will be reviewing that discovery and has requested additional items in  
6 the Motion to Compel Discovery, *supra*. The parties also expect to discuss a  
7 possible disposition. The defendant hereby moves the Court for leave to file further  
8 motions based on his review of discovery received and additional discovery yet  
9 provided, including motions to suppress evidence and statements.  
10

11  
12

15 For the foregoing reasons, Mr. Ramirez-Marquez respectfully requests the  
16 Court to grant his motions.
